**IN THE UNITED STATES PATENT & TRADEMARK OFFICE  
VERIFIED STATEMENT CLAIMING SMALL ENTITY STATUS  
INDEPENDENT INVENTOR**

**Title: Keypad Computer Mouse Emulation System**

**Inventor: Peter J. Mikan**

**Attorney Docket: UP0111CTI**

I, Peter J. Mikan, as the above named inventor, do hereby declare under penalties of perjury that I qualify as a independent inventor or small entity as defined in 37 CFR 1.9(c) for purposes of paying reduced fees to the Patent and Trademark Office regarding the above titled invention, described in the specification filed herewith. I have not assigned, granted conveyed or licensed and am under no obligation under contract or law to assign, grant, convey or license any rights in the invention to any person who would not qualify as an independent inventor under 37 CFR 1.9(c), if that person had made the invention or to any concern which would not qualify as a small business concern under 37 CFR 1.9(d) or a non-profit organization under 37 CFR 1.9(e)

I request that this application be not published as I do not plan to file any application based on this invention in any country foreign to the United States of America.

I affirm that I have the authority to execute this document and I acknowledge my duty to file in this application for patent, notification of any change in status resulting in loss of entitlement to small entity status prior to paying or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate under 37 CFR 1.28(b)

I hereby further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application of any patent issuing thereon, or any patent to which this verified statement is directed.

**Respectfully**

**Peter J. Mikan**
